Chelsea Education Foundation Call for Proposals: 2017

September 13th, 2017

To whom it may concern:

The Chelsea Education Foundation is pleased to announce its Call for Proposals for our 2017 Grant Program. Applications will be accepted beginning Friday, September 15th and continuing through Monday, October 16th, with decision letters to be sent to applicants during the first two weeks of November.

The Chelsea Education Foundation Grant Program supports the Chelsea School District and other nonprofit/tax-exempt organizations that enrich the educational experiences of Chelsea residents. Since 1990, the Chelsea Education Foundation has awarded over \$300,000 in grants to support educational opportunities for students of all ages. In 2016, over \$19,000 in disbursements were awarded to 22 proposals.

Thanks to the generous support of the community through donations and participation in fundraising efforts such as the CEF Gala, we anticipate another successful year of funding for grant proposals.

More information concerning grant applications, including application guidelines and the Grant Application Form,, can be found on the Chelsea Education Foundation website: grants@chelseaeducationfoundation.org

Additional questions or concerns can be directed to myself or the officers of the Chelsea Education Foundation using the contact information found on this letter and on the Foundation website.
