The Chelsea Education Foundation recognizes you as a leader and strong supporter of civic initiatives in the Chelsea community. Therefore, we hope that you will consider becoming a Sponsor of our fundraising efforts to enhance educational opportunities in Chelsea during the coming year. On March 2, 2018, CEF is holding their annual Gala Fundraiser

We are excited to share with you that this fall the CEF has renewed its commitment to the Chelsea School District which will allow us to make the schools, and our Chelsea students, our sole focus for raising and granting funds. This change has come about for two reasons. First, to return our focus to the original mission of the Education Foundation, and second, to join the District in its commitment to the Graduate Learner Profile and 21st Century learning. We are confident that this revision and renewed commitment will be a positive change that you will choose to support as well.

As a Sponsor, you will make a lasting, real contribution to children in our school district.

- When you educate a child, you leave a legacy for a better future for that child. Many of us can remember a special teacher or class that made a difference in our lives, so we know first-hand the value of an education.
- Strong and vibrant schools are essential to the civic health and prosperity of our community.

Contributions to CEF are given back to the Chelsea community through scholarships for college-bound students, and grants to teachers and others with great ideas. Since 1998 alone, CEF has provided over 750 scholarships to Chelsea High School graduates valued at more than \$540,000 and over 500 grants valued at more than \$400,000.

We have five levels of Sponsorship. You can make your tax-exempt Sponsorship contribution by completing the 2018 Sponsor Commitment Form and mailing or emailing it to us at the address on the bottom of the form.

We are very grateful to our Sponsors, whose support is essential to our fund-raising efforts. We acknowledge your contribution through press releases, advertising at fund-raising events, social media campaigns, and scholarship and grant award documents.

Kindest regards,

Anita Mosier
